

On December 18, 2012, Governor Steve Beshear signed emergency regulations for the Cabinet for Health and Family Services, adding new variations of synthetic cannabinoids (also known as synthetic marijuana, K2 or Spice) to Schedule I of the Kentucky Controlled Substances Act (KRS 218A). These new regulations are immediately enforceable and available at <http://www.lrc.ky.gov/kar/TITLE902.HTM> under Chapter 55, Controlled Substances. (902 KAR 55:015. Schedule I substances)
