

The KPOA for the past year or so has been inactive due to financial reasons. The KPOA is pleased to announce that the KPOA is back stronger than ever. With the help of our long time members and the new energy from the new Board of Directors we hope for great years to come. Within the next two weeks the first "On Guard" newsletter will be sent out for the first time in over two years. The new version will be coming out bi-monthly through email and the members can print it out if they wish to or just read it on line. The KPOA's first Kentucky Law Enforcement Firearm Series pistol match for 2011 will be in Middlesboro on September 10, 2011 and we hope to have another in the fall somewhere else in the state.
