

## **Domestic Abuse and Sexual Assault Symposium**

The course will offer practical information that can be used during the investigation of a domestic violence or sexual assault crime. The course is designed for investigators and first responders/ patrol officers. The course will include classes on stalking and cyber stalking; orders of protection and prosecution; case studies of rape investigations; how to investigate a sexual assault and how best to obtain a conviction in these types of cases. The course will also offer information on the investigation of drug facilitated sexual assaults.

Dates and locations for the K.L.E.C. approved 40 hour presentations are:

Richmond	February 17 thru 21
Jenny Wiley State Park	March 10 thru 14
Boone Co. S.O.	March 17 thru 21
Ky. Dam Village State Park	March 31 thru April 4
Pine Mt. State Park	April 7 thru 11
Louisville field office	May 12 thru 16

This course is not just an investigators course but is designed to offer information and assistance to first responders or patrol officers who are dispatched to these types of crimes.

Registration can be completed on-line or by calling the DOJT registration section at 859-622-1328.
